COLLEGE OF BUSINESS
ADMINISTRATION AND ACCOUNTANCY

College of Business Administration and Accountancy -

is a service-oriented academic unit committed to the continuous pursuit of excellence in the development of Christian teachers and school managers.

VISION

A Christian leader, research-oriented, community-centered and driven with passion for quality.

MISSION

As a Christian leader, CBAA commits itself to:

- 1. Be virtuous and distinguished in business and technology and continuing education;*
- 2. Be research oriented, highly proficient in research-based methodology;*
- 3. Be community-centered, socially and environmentally responsible; and,*
- 4. Be driven with passion for academic excellence, a community of scholars and learners.*

OBJECTIVES

The Vision of the University as a distinguished academic institution nationally and internationally gives meaning and substance to a comprehensive strategic agenda for the College of Business Administration and Accountancy.

The “strategic agenda” reinvents it to become a great national university, resourced in new ways and with the confidence to re-think its role and destiny in ambitious national and international terms.

To meet its “strategic agenda” CBAA, endeavors to:

- 1. To attract, support and add value to outstanding people;*
- 2. To advance its reputation and performance as a major research and training center for continuing education;*
- 3. To create and maintain a teaching and learning environment offering quality programs;*
- 4. To advance its internationalization;*
- 5. To achieve continuous quality improvement in its academic management and administration;*
- 6. To invest aesthetic value, amenity and high levels of functional utility to promote academic enterprise of high standards; and,*
- 7. To seek an alternative resource base to enable it to be competitiv*

PROGRAM CURRICULUM

PROGRAM: *Bachelor of Science in Accountancy*

HEAD/COORDINATOR: Anthony Archie F. Gomez

About: The program Bachelor of Science in Accountancy (BSA) exceeds the minimum requirements under CMO Number 27 s. 2017.

As described in the CMO, this is the program that provides general accounting education to students wanting to pursue a professional career in Accountancy in general and public Accounting in particular. Further, this is the program that complies with the latest competency framework for accountants issued by the International Federation of Accountants (IFAC) through their International Education Standards. Thus, this qualifies the graduate of this program to take assessments leading to certifications in Accountancy given by the professional Regulatory Commission - Board of Accountancy (PRC - BOA) and other global professional Accountancy organizations.

As a field of study, Accountancy is a profession that involves providing assurance and audit services for statutory financial reporting, tax- related services, management advisory services partnering in management decision- making, devising planning and performance and control to assist various stakeholders in making decisions.
